# Meet your presenters

## Cardiovascular Risk Assessment in Women

**Dr Julie Bradley**

**MBBS FRACP**

Julie is a Senior Staff Specialist at the RAH, an active member of the Structural Heart Disease Program and Head of the RAH Echocardiography Department. She continues her interest in echocardiography, coronary angiography, women's heart health issues and cardiac failure. Julie joined Genesiscare in 2009 and consults at St Andrews Medical centre.

**Dr Meredith Frearson**

**BMBS FRACGP DRCOG DFFP**

Meredith is a respected doctor in General Practice, with extensive experience in all aspects of Women's health. She has been a Churchill Fellowship recipient in the area of IUD and LARC access for Women, and is recognised as a national leader in this space. She has been a member of AMS for over 20 years and has worked in rural practice for the same time.
