

Toilet Training Workshop

Have you ever asked yourself:

How do I know when to start toilet training with my child?

My child is interested in using the toilet, but I don't know how to get started?

My child sits on the toilet, but nothing happens!

Are there any resources available to help with toilet training?

You are invited to attend a **FREE** session run by Sarah, Occupational Therapist, which will provide information about:

- The developmental stages of toileting
- Signs that a child is ready for toilet training
- Strategies and tips to promote success with toilet training

This session is appropriate for parents, caregivers and educators with children aged 0 –5 years of age.

WHEN: 18th of November, 9.30-11.30am

WHERE: Keithcot Farm Children's Centre, 5 Keithcot Farm Drive, Wynn Vale

Due to Covid-19 social distancing requirements, places are strictly limited.

Free crèche available – however **bookings are essential.**
