Pilot Client Cohort Protocol v.3

Endorsed Clinical Director CAMHS, April 2024

Inclusion Criteria:

1. Patients aged known to statewide public LHN Paediatric Unit services (metropolitan and country)
2. Adolescents aged 16 years or over able to provide their own consent for care (Gillick competency Ref: [Avant - Children and consent](#))
OR if unable to provide their own consent, have a parent or guardian who can consent to the program on the young person's behalf.
3. Requiring ongoing Schedule 8 stimulant support
4. Stable dosage requirement

Exclusion criteria:

1. Patients not currently under WCHN, NAHLN or SAHLN Health service care
2. On short-term or early phase Schedule 8 stimulant support, or have not yet reached a stable dosage requirement.
3. Currently linked with CAMHS or Youth Mental Health Team or Private Psychiatrists
